

State of AYC: Annual Meeting

February 25, 2016

Hilton Austin

The Austin Young Chamber of Commerce (AYC) was formed in 2009 as a vehicle for Austin's fastest-growing population, its young professionals, to engage with their peers on a personal as well as professional level. Our mission is to develop and connect young professionals in Austin to create business, community and individual success. With a network of more than 2,000, AYC plays an integral role in the development of Austin's future leaders. The 3rd annual State of AYC luncheon will bring together 250+ members, investors, partners and friends to share the visions, successes, opportunities and goals of the Austin Young Chamber. This year's event is particularly special as we will be paying tribute to two individuals who are doing extraordinary things in our community by honoring them with the first annual AYC Change Maker Award.
